

# CLAY PIGEONS

by Blaze Foley

I'm going [C] down to the greyhound station  
Gonna get a [F] ticket to ride  
Gonna [C] find that lady with 2 or 3 kids  
And [G] sit down by her side  
And [C] ride until the sun comes up and  
Down around me about [F] 2 or 3 times  
Smoking [C] cigarettes in the last seat  
[G] Trying to hide my sorrow from the people I meet  
And get [C] along with it all  
Whenever [F] people say Y'all  
Sing a [C] song with a friend  
Change [G] the shape that I'm in  
And get [C] back in the game  
And start [F] playing again [C]

[C] I'd like to stay but I might have to go to  
Start [F] over again  
I might go [C] back down to Texas I might go  
Somewhere that [G] I've never been  
And get [C] up in the morning and go out at night  
And I won't [F] have to go home  
Get used [C] to being alone  
Change the [G] words to this song  
And [C] start singing again [F] [C]

I'm tired [C] of running round looking for answers  
To questions that I [F] already know  
I could [C] build me a castle of memories  
Just to have [G] somewhere to go  
Count the [C] days and the nights that it  
takes to get back in the [F] saddle again  
Feed the [C] pigeons some clay  
Turn the [G] night into day  
Start [C] talking again if I [F] know what to say [C]
