

# Downtown Train

Key of C

4/4

Tom Waits - Sung by Mary-Chapin Carpenter

C C F G  
/// /// /// /// x2

## (Verse 1)

C F G C  
Outside another yellow moon  
F G C  
Has punched a hole in the night-time  
F G C  
I climb through the window and down to the street  
F G  
I'm shining like a new dime

F G  
The downtown trains are full  
F G  
With all those Brooklyn girls  
F G C  
They try so hard to break out of their little worlds

## (Verse 2)

F G C  
You wave your hand and they scatter like crows  
F G C  
They have nothing that will ever capture your heart  
F G C  
They're just thorns without the rose  
F G F  
Oh, be care-ful of them in the dark

G  
And if I was the one  
F G  
You chose to be your only one

F G C  
Oh baby now, can't you hear me now

(Chorus)

F C F  
Will I see you tonight on a downtown train

C F Dm  
Where every night it's just the same

G C  
You leave me lonely now

(Verse 3)

F G C  
I know your window and I know it's late

F G  
I know your stairs and your doorway

C F G C  
I walk down your street and past your gate

F G  
I stand by the light at the four-way

F G  
You watch them as they fall

F G  
Ooh, and they all have heart attacks

F  
They stay at the carnival,

G C  
but they'll never win you back

(Chorus)

F C F  
Will I see you to-night on a downtown train

C F Dm  
Where every night, every night it's just the same

G C  
You leave me lonely

F C F  
Will I see you tonight on a downtown train

C F Dm  
Where every night, every night is just the same

G (C)  
all upon a downtown train

(Instrumental break)
