

# You Don't Know Me

Key of C

Lyrics & Music by Cindy Walker and Eddy Arnold, 1955

## G Gaug

// /HOLD

C Cmaj7 C6 C7  
 You give your hand to me. ...and then you say, 'Hello'  
F Fmaj7 F6 F#dim  
 And I can hardly speak, my heart is beating so  
C A7 Dm G7  
 And anyone can tell, you think you know me well  
E7 A7 F6 G7  
 But you don't know me.  
C Cmaj7 C6 C7  
 No, you don't know the one, who dreams of you at night  
F Fmaj7 F6 F#dim  
 And longs to kiss your lips, and longs to hold you tight.  
C A7 Dm G7  
 To you, I'm just a friend, that's all I've ever been,  
C F6 F#dim C  
 cause you don't know me.

**F**            **F#dim**            **Em7**            **A7**  
 For I never    knew the    art of making love,  
               **F**                                **G**            **C**  
 though my heart aches with love for you.  
**Am**            **F#dim**    **Em**                                **Em6**  
 Afraid and shy, I let my chance go by  
               **D**                                **D7**                                **G**            **Gaug**  
 The chance that you    might love me too.

**C**                                **Cmaj7**                                **C6**                                **C7**  
 You give your hand to me.    ...and then you say, 'Goodbye'  
                               **F**                                **Fmaj7**                                **F6**                                **F#dim**  
 I watch you walk away, beside that lucky guy  
                               **C**                                **A7**                                **Dm**                                **G7**  
 To never, never know, the one that loves you so  
                               **E7**                                **A7**    **F6**    **F#dim**  
 No you don't know me.  
                               **C**                                **A7**                                **Dm**                                **G7**  
 To never, never know, the one that loves you so  
     **C**                                **F6**    **F#dim**    **C6**  
 SLOW: No you don't know me.
