

She Thinks I Still Care

George Jones

[D] Just because **[G]** I ask a friend **[D]** about her
Just because I **[A7]** said her name some-**[D]**where
Just because I rang her **[D7]** number by mis-**[G]**take today
[D] She thinks **[A7]** I still **[G]** care **[D]**

Just because I **[G]** haunt the same old **[D]** places
Where the memory of her **[A7]** lingers every-**[D]**where
Just because I'm not the happy **[D7]** guy I **[G]** used to be
[D] She thinks **[A7]** I still **[G]** care **[D]**

But **[G]** if she's happy thinking I still **[D]** love her
Then let that silly notion bring her **[A7]** cheer
[G] How could she ever be so **[D]** foolish
Oh **[E7]** what ever gave her that i-**[A7]**dea

[D] Just because I **[G]** ask a friend a-**[D]**bout her
Just because I **[A7]** spoke her name some-**[D]**where
Just because I saw her then I **[D7]** went to **[G]** pieces
[D] She thinks **[A7]** I still **[G]** care **[D]**
[D] She thinks **[A7]** I still **[G]** care **[D]**
