

## LONG TIME FRIENDS Cathy Winter 1975

### Chorus

[A] I'm looking for some [E7] long time [A] friends  
I'm looking for some [D] long time [E7] friends  
Life's a [D] long and twisting [A] road,  
Many [D] curves and unseen [E7] bends  
So I'm [A] looking for some [E7] long time [A] friends

### Verse 1

[A] Good friends tend to [E7] slip out of your [A] reach  
If you walk too tall or [D] keep too straight a [E7] path  
With your [D] eyes so far a-[A]-head  
That you [D] can't see by your [E7] side  
You'll [A] never see your [E7] longtime [A] friends

### Chorus

[A] I'm looking for some [E7] long time [A] friends  
I'm looking for some [D] long time [E7] friends  
Life's a [D] long and twisting [A] road,  
Many [D] curves and unseen [E7] bends  
So I'm [A] looking for some [E7] long time [A] friends

### Verse 2

[A] There are women that I [E7] hold close to my [A] heart  
And men I hope will [D] always be in my [E7] life  
You've got to [D] know each heart is [A] real  
And each [D] life can touch your [E7] own  
And this [A] world will be your [E7] long time [A] home

### Instrumental Chorus

[A] I'm looking for some [E7] long time [A] friends  
I'm looking for some [D] long time [E7] friends  
Life's a [D] long and twisting [A] road,  
Many [D] curves and unseen [E7] bends  
So I'm [A] looking for some [E7] long time [A] friends

### Verse 3

[A] It's a wide world with [E7] many ways to [A] live  
Many ways to love and [D] many ways to [E7] give  
I'm not so [D] sure I want to [A] find  
Just one [D] soul to blend with [E7] mine  
So I'm [A] looking for some [E7] long time [A] friends

### Chorus

[A] I'm looking for some [E7] long time [A] friends
