in C - [I]=[C], [IV]=[F], [V7]=[G7]

Chorus --

Home-[I]-grown tomatoes, homegrown tomatoes,
What'd [IV] life be without homegrown tomatoes,
There's [V7] only two things that money can't buy
That's [I] true love and homegrown tomatoes.

There's noth-[I]-in in the world that I like better
Than [IV] bacon and lettuce and homegrown tomatoes
Up [V7] in the morning out in the garden
Pick [I] you a ripe one, don't get a hard 'un

Plant [I] em in the spring, eat em in the summer
All [IV] winter without em's a culinary bummer
I for-[V7]-get all about the sweatin and the diggin
Every [I] time I go out and pick me a big 'un

Chorus --

Homegrown tomatoes, homegrown tomatoes,
What'd life be without homegrown tomatoes,
There's only two things that money can't buy:
That's true love and homegrown tomatoes.

I been out to eat and that's for sure
But that's nothin a home grown tomato won't cure
Put em in a salad, put em in a stew

You can make your very own tomato juice

You can eat em with eggs, you can eat em with gravy
You can eat em with beans, pinto or navy
Put em on the side, put em in the middle
Home grown tomatoes on a hot tin griddle

Chorus --

Homegrown tomatoes, homegrown tomatoes,
What'd life be without homegrown tomatoes,
There's only two things that money can't buy:
That's true love and homegrown tomatoes.

If I could change this life I lead
I'd be Johnny Tomato-seed
Cause I know what this country needs
It's home grown tomatoes in every yard you see.

When I die don't bury me
In a box in cemetery
Out in the garden would be much better
Where I could be a pushin' up the home grown tomatoes.

Chorus --

Homegrown tomatoes, homegrown tomatoes,
What'd life be without homegrown tomatoes,
There's only two things that money can't buy:
That's true love and homegrown tomatoes.
