## Uke stand

### Parts list

#### All 3/4 PVC

1 Uke      3 Ukes      5 Ukes

Elbow      4      6      6

Tee      6      10      18

Cross      0      2      2

Cap      2      2      2

#### Cut Pipe Pieces

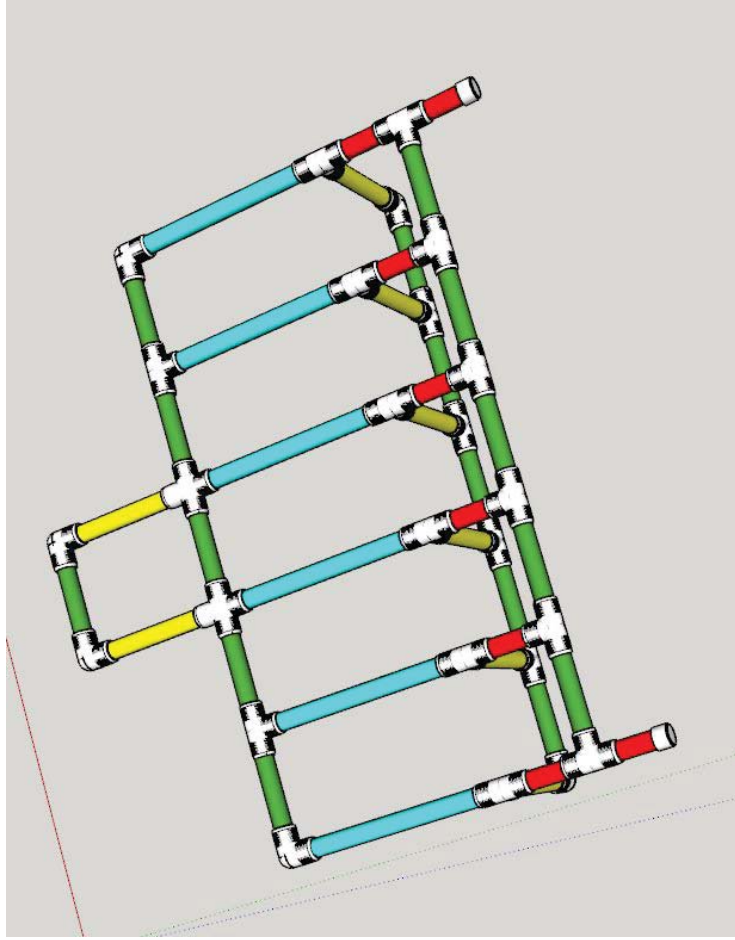

Red 3"      4      6      8

Green\* 4 1/2"      4      10      16

Yellow 6"      4      6      8

Blue 9"      2      4      6

\* Size horizontal pieces to your ukes. Cut one piece and assemble joints to test. Don't forget you will have insulation on pipes too.

#### Assembly notes:

- Reinforce handle and upper cross piece with glue or screws
- No glue needed for other joints
- Use wire ties to attach 3/4 in plumbing insulation for cushioning (not shown)

# Enjoy!
