(Video is in Gm--one step lower than this arrangement)

[Am] A worried man with a worried mind,  
[Dm] no one in front of me and nothing behind  
There's a [Am] woman on my lap and she's drinkin' chAm-[E7]pagne  
[Am] Got white skin, got assassin's eyes,  
[Dm] I'm lookin' up into the sapphire tinted skies  
I'm [Am] well dressed, waitin' on the [E7] last [Am] train

[F] Standin' on the gallows with my [E7] head in a [Am] noose  
Any [F] minute now I'm expectin' all hell to break [E7] loose  
[Am] People are crazy and times are strange  
[Dm] I'm locked in tight, I'm out of range  
I [Am] used to care, but [E7] things have [Am] changed.

Interlude: [Am] [Dm] [Am] [E7] [Am]

[Am] This place ain't doin' me any good.  
I'm in the [Dm] wrong town, I should be in Hollywood  
Just for a [Am] second there, I thought I saw somethin' [E7] move  
Gonna take [Am] dancin' lessons, do the jitterbug rag.  
Ain't no [Dm] shortcuts, gonna dress in drag  
Only a [Am] fool in here would think he's got [E7] anything to [Am] prove

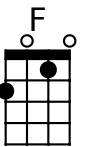

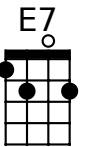

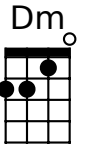

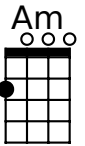

Lotta [F] water under the bridge, lotta [E7] other stuff [Am] too  
[F] Don't get up gentlemen, I'm only passing [E7] through  
[Am] People are crazy and times are strange  
[Dm] I'm locked in tight, I'm out of range  
I [Am] used to care, but [E7] things have [Am] changed.

Interlude: [Am] [Dm] [Am] [E7] [Am]

I've been [Am] walkin' forty miles of bad road.  
If the [Dm] bible is right, the world will explode  
I've been [Am] tryin' to get as far away from myself as I [E7] can  
[Am] Some things are too hot to touch.  
[Dm] The human mind can only stand so much  
You [Am] can't win with a [E7] losing [Am] hand

[F] Feel like falling in love with the first [E7] woman I [Am] meet  
[F] Puttin' her in a wheel barrow and wheelin' her down the [E7] street  
[Am] People are crazy and times are strange  
[Dm] I'm locked in tight, I'm out of range  
I [Am] used to care, but [E7] things have [Am] changed.

Interlude: [Am] [Dm] [Am] [E7] [Am]

I [Am] hurt easy, I just don't show it.  
You can [Dm] hurt someone and not even know it  
[Am] The next sixty seconds could be like an eterni-[E7]ty  
Gonna [Am] get lowdown, gonna fly high.  
All the [Dm] truth in the world adds up to one big lie  
I'm in [Am] love with a woman who don't even ap-[E7]peal to [Am] me

Mr. [F] Jinx and Miss Lucy, they [E7] jumped in the [Am] lake  
[F] I'm not that eager to make a mis-[E7]take  
[Am] People are crazy and times are strange  
[Dm] I'm locked in tight, I'm out of range  
I [Am] used to care, but [E7] things have [Am] changed.

Outro: [Am] [Dm] [Am] [E7] [Am]
