

# Dead Flowers

by The Rolling Stones

Well [G]when you're sitting [D]there in your [C]silk upholstered [G]chair  
[G]Talking with some [D]rich folk that you [C]know [G]  
Well I [G]hope you won't see [D]me in my [C]ragged comp[G]any  
Cause [G]you know I could [D]never be [C]alone [G]

Take me [D]down, little [D7]Susie, take me [G]down  
[D]I know you think you're the [D7]queen of the under[G]ground [G7]  
[G]And you can [C]send me dead flowers every [G]morning  
[C]Send me dead flowers by U.S. [G]mail  
[C]Send me dead flowers to my [G]wedding  
And I [G]won't forget to put [D]roses on [C]your grave [G]

Well [G]when you're sitting [D]back in your [C]rose pink cadi[G]llac  
[G]Making bets on [D]Kentucky Derby [C]Day [G]  
I'll be [G]in my basement [D]room with a [C]needle and a [G]spoon  
And [G]another girl can [D]take my pain [C]away [G]

Take me [D]down, little [D7]Susie, take me [G]down  
[D]I know you think you're the [D7]queen of the under[G]ground [G7]  
[G]And you can [C]send me dead flowers every [G]morning  
[C]Send me dead flowers by U.S. [G]mail  
[C]Send me dead flowers to my [G]wedding  
And I [G]won't forget to put [D]roses on [C]your grave [G]  
And I [G]won't forget to put [D]roses on [C]your grave [G]
