Young MC

Bust it

[E] (ooh! [A] hah!)

[E] (ooh! [A] hah!)

[E] (ooh! [A] hah!)

[E] (ooh!)[A]

Verse 1

[E] This here's a jam for all the fellas

[A] Tryin' to do what those ladies tell us

[E] Get shot down cause ya overzealous

[A] Play hard to get, females get jealous

[E] Okay smarty, go to a party

[A] Girls are scantily clad and showin' body

A c[E]hick walks by, you wish you could sex her

But you're **STOP** standing on the wall like you was Poindexter

Verse 2

[E] Next day's function, high class luncheon

[A] Food is served and you're stone-cold munchin'

[E] Music comes on, people start to dance

But then you a[A]te so much, you nearly split your pants

A g[E]irl starts walking, guys start gawking

[A] Sits down next to you and starts talking

[E] Says she wants to dance 'cause she likes to groove

So come **STOP** on, fatso and just bust a move

Chorus

[E] (oh, oh, [A] yeah, oh)

[E] (oh, oh, [A] yeah, oh) Just bust a move

(oh-[E] oh, yeah, oh-[A] oh, yeah)

[E] (oh, oh, [A] yeah, oh)

Verse 3

You're [E] on a mission and you're wishin'

[A] Someone could cure your lonely condition

[E] Lookin' for love in all the wrong places

[A] No fine girls, just ugly faces

[E] From frustration, first inclination

Is [A] to become a monk and leave the situation

But [E] every dark tunnel has a light of hope

So don't **STOP** hang yourself with a celibate rope

Verse 4

New [E] movie's showin', so you're goin'

[A] Couldn't care less about the five you're blowin'

[E] Theater gets dark just to start the show  
Then ya s[A]pot a fine woman sittin' in your row  
She's dr[E]essed in yellow, she says, "Hello  
[A]Come sit next to me you fine fellow"  
You [E]run over there without a second to lose  
And **STOP** what comes next? Hey, bust a move

#### Verse 5

[E] In the city, ladies look pretty  
[A] Guys tell jokes so they can seem witty  
[E] Tell a funny joke just to get some play  
Then you t[A]ry to make a move and she says, "No way"  
[E] Girls are fakin', goodness sakin'  
[A] They want a man who brings home the bacon  
[E] Got no money and you got no car  
Then you [A] got no woman and there you are

#### Verse 6

Some g[E]irls are sadistic, materialistic  
[A] Lookin' for a man makes them opportunistic  
They're l[E]yin' on the beach perpetrating a tan  
So that a b[A]rother with money can be their man  
So on the b[E]each you're strollin', real high rollin'  
[A] Everything you have is yours and not stolen  
A g[E]irl runs up with somethin' to prove  
So **STOP** don't just stand there, bust a move

#### Chorus 3

[E] (You want it, [A] you got it)  
[E] (You want it, [A] baby, you got it) Just bust a move

[E] You say, "neat-o", check your libido
