

# Night Owls

Matt the Electrician, 2021

Key of A#

## Verse 1:

[A#dim] I remember waiting 'til the middle of the night  
to [D] fall asleep.

[A#dim] Falling like clutching to the sides of the boat  
that would [D] carry me.

[G] Out into the middle of  
a [A] world where there's so [A#dim] little left  
to [Bm] cling to.

## Verse 2:

[A#dim] I could hear the crickets and the ocean and the thunder  
and the [D] silence reign.

[A#dim] Hiding in the shadows by the side of the road  
With the [D] evergreens.

[G] Waited on the flickering  
[A] broken streetlights [A#dim] diamonds in  
the [Bm] canopy. [Bm6]

## Chorus:

Say good [A] night to all the [DM7] night owls  
Oh good [A] night I am no [DM7] early bird  
I am [Bm] young among the [F#m] stars  
And I [Bm9] know right [Bm7] where you [A] are

## Verse 4:

[A#dim] I remember hearing that it was what it was  
when I [D] first arrived.

[A#dim] We all got a bridge in our brains that is running from  
the [D] left to the right.

[G] Maybe it doesn't reach the land  
So [A] Grandma, deal a-[A#dim] nother hand  
of [Bm] Tripoli. [Bm6]

## Chorus:

Say good [A] night to all the [DM7] night owls  
Oh good [A] night I am no [DM7] early bird

I am [Bm]young among the [F#m]stars  
And I [Bm9]know right [Bm7]where you [A]are

**Bridge:**

[Bm]Everybody says nothing good ever happens  
after [E7]3 am  
[Bm]I don't know if good is as good as  
the good I re-[Bm6]member when  
[DM7]When I try to close my eyes  
The [E]light that lingers  
Shows me what I [A]wanna see [DM7]

**Outro:**

Say good[A]night to all the [DM7]night owls  
Oh good[A]night I am no [DM7]early bird  
Say good[A]night to all the [DM7]night owls  
Oh good[A]night I am no [DM7]early bird  
Say good[A]night to all the [DM7]night owls  
Oh good[A]night I am no [DM7]early bird  
I am [Bm]young among the [F#m]stars  
And I [Bm9]know right [Bm7]where you [A]are
