

Out Of My Head

Fastball, 1999

[C] [G] [Am] [C]/ [C7]/
[F] [C] [D] [G] [D7] [D7]

Verse

[C] Sometime I feel, like I am [Em] drunk behind the wheel
[F] The wheel of possi-[C]bilities, [D] however it may [G] roll
[C] Give it a spin, see if you can [Em] somehow factor in
You [F] know there's always [C] more than one way
To [D] say exactly, [G] what you mean to [C] say

Chorus

Was outta my [G] head
Was outta my [Am] mind
How could I have [C]/ ever [C7]/ been so [F] blind
I was waitin' for an [C] indication, [D] it was hard to [G] find
[C] Doesn't matter what I [G] say
Only what I [Am] do
I never mean to [C]/ do bad [C7]/ things to [F] you
So quiet but I [C] finally woke up, [D] if you're sad then it's
[Dm] time you spoke up [F] too

Instrumental

[C] [C] [Em] [Em] [F] [C] [D] [G]

Chorus

[C] Was outta my [G] head
Was outta my [Am] mind
How could I have [C]/ ever [C7]/ been so [F] blind
I was waitin' for an [C] indication, [D] it was hard to [G] find
[C] Doesn't matter what I [G] say
Only what I [Am] do
I never mean to [C]/ do bad [C7]/ things to [F] you

So quiet but I [C] finally woke up, [D] if you're sad then it's
[Dm] time you spoke up [F] too
