

Red

Key of G

Taylor Swift, 2012. Baritone uke arrangement

(Intro) **[C]** **[Em]** **[Dsus2]** **[Dsus2]** X2

Verse 1:

Lovin' her is like

[C] driving a new Maser-**[Em]**ati
down a dead end street **[Dsus2]**

[C] Faster than the wind,
passion-**[Em]**ate as sin

Ended so **[Dsus2]** suddenly

Loving her is like

[C] trying to change your mind
once you're **[Em]** already flying
through the **[Dsus2]** free fall

Like the **[C]** colors in autumn so **[Em]** bright
Just before they **[Dsus2]** lose it all

Chorus:

Losing her was **[C]** blue, like I'd never **[G]** known

Missing her was **[D]** dark grey, all alone

Forgetting her was **[C]** like trying to know some-**[Em]**body
you never **[D]** met

But loving her was **[C]** re-e-**[Em]**-e-**[Dsus2]** ed

Lovin' her was **[C]** re-e-**[Em]**-e-**[Dsus2]** ed

Verse 2:

Touching her was like,

[C] realizing all you ever **[Em]** wanted
was right there in **[Dsus2]** front of you

Memorizing her was as **[C]** easy as knowing all the **[Em]** words
to your old favorite **[Dsus2]** song

Fighting with her was like

[C] tryin' to solve a crossword and **[Em]** realizing

there's no right [Dsus2]answer
Regretting her was like [C]wishing you never found [Em]out
love could be that [Dsus2] strong

Chorus:

Losing her was [C]blue, like I'd never [G]known
Missing her was [D]dark grey, all alone
Forgetting her was [C]like trying to know some-[Em]body
you never [D]met
But loving her was [C]re-e-[Em]-e-[Dsus2]ed
Burnin' [C]re-e-[Em]-e-[Dsus2]ed

Bridge:

[D]Remembering her comes in [C]flashbacks and [D]echos
I tell myself it's [Em]time now to [D]let go
But [G]moving on from [C]her is impossible
When [Em/E]I still see it all in my [D]head
And burning [C]re-e-[Em]-e-[Dsus2]ed
Burning [C]re-e-[Em]-e-[Dsus2]ed

Chorus:

Losing her was [C]blue, like I'd never [G]known
Missing her was [D]dark grey, all alone
Forgetting her was [C]like trying to know some-[Em]body
you never [D]met
But loving her was [C]re-e-[Em]-e-[Dsus2]ed
Burnin' [C]re-e-[Em]-e-[Dsus2]ed

Outro:

And that's [C]why she's spinning [Em]'round in my [Dsus2]head
Comes back to me, burnin' [C]red, [Em]yeah, yeah, [Dsus2]yeah
Her love was like, [C]driving a new Mase-[Em]rati
down a dead end [Dsus2]street
