Who Knows Where The Time Goes

Sandy Denny

[C] Across the evening sky, **[F]** all the birds are lea-**[C]**ving
[C] But how can they know it's **[F]** time for them to **[C]** go?
[Dm] Before the winter **[Em]** fire,
[Fm] I will still be **[Em]** dreaming **[F]**
[F] I have no thought of **[C]** time
For who knows where the **[F]** time goes? **[C]**
Who knows where the time **[Dm]** go--**[F]**oes? **[C]**

[C] Sad, deserted shore, **[F]** your fickle **[C]** friends are
[F] leaving
Ah, but **[C]** then you know, it's **[F]** time for **[C]** them to go **[F]**
[Dm] But I will **[Em]** still be **[Dm]** here,
I have no thought of **[C]** leaving **[F]**
[F] I do not count the **[C]** time
For who knows where the **[F]** time go--**[C]**oes?
Who knows where the time go--**[Dm]**oes? **[F]**

[C] And I am not alone **[F]** while my love is near **[C]** m--ee
I **[C]** know it will be so until **[F]** it's time **[C]** to g--**[F]**oo
[Dm] So come the storms of **[Em]** winter **[F]**
And then the birds and **[Em]** spring a-**[C]**gain
[F] I have no fear of **[C]** time
For **[G]** who knows how my **[F]** love **[C]** grows?
And who knows where the time **[Dm]** go--**[F]**oes? **[C]**
