[G] I [C] fall to [D] pieces [Db] [C]

[C] Each time I [D] see you [G] again

[G] I [C] fall to [D] pieces [Db] [C]

[C] How can I [D] be just your [G] friend?

You want me to act like we've [C] never kissed

You want me [D] to forget, pretend we've [G] never met

And I've [C] tried and I've [D] tried but I [G] haven't yet

You walk [C] by and [D] I fall to [G] pieces

[C] Time only [D] adds to the [G] flame

You tell me to find someone [C] else to love

Someone who'll [D] love me too the way you used to [G] do

But each [C] time I go [D] out with [G] someone new

You walk [C] by and [D] I fall to [G] pieces

You walk [C] by and [D] I fall to [G] pieces [D] [Db] [C] [D] [G]
