[Dm][A7][Dm][A7]

[Dm]Everywhere and [A7]every day

[Dm]people point at [A7]me and say

[Dm]There's the guy [A7]that's [Dm]going [A7]down in [Dm]his-[A7]tory

[A7]How did I do the things I [Dm]did

To every [A7]man and every kid that [Dm]seems to be

The one [A7]absorbing [F]mys-[E7]tery

How [A]did I get by when things were not so [E7]hot [A][E7]

[A]Mr. [E7]Ripley, you can believe it or [A7]not

Oh, I [D]did it with my [A7]little [D]ukulele

It protected me from [A7]every care [D]and [D7]strife

I could strum [G]a broom or [G7]ladle

[G]While I [D]sat there in my [E7]cradle

And I [A7]never [D]took a [A7]lesson in my [D]life [Eb]

[Eb]Didn't you ever hear how the Ute made my career?

When the crew of the good ship Nancy [Bb7]Lyle

Was wrecked up on a typical tropical isle

[Eb] Didn't you know it was me who defied geography?

[Bb] When only me of [Eb] the 75 was [Bb] washed up on that [Bb7] shore alive

I never knew [Eb] it

You didn't know it?

[Em7b5] No

How did you do [Em7] it?

Well, here's [A] how I done it

[D] Oh, I did it with my little ukulele

While the sharks were snapping at me tooth and knife

[D7] I sang [G] Annie Laurie round them

And I [D] guess that's how I [G] drowned them

And I [D] never took a [A7] lesson in my [D] life.
