

# It Don't Worry Me

by Keith Carradine from "Nashville" [1975]

[F]The price of eggs may [Fdim7]worry some

[F]But it don't [C]worry [F]me

[F]Tax relief may [Fdim7]never come

[F]But it don't [C]worry [F]me

[F]Economy's depressed, [F7]not me

My [Bb]spirit's high as [Bbm]it can be

And [F]you may [C]say that [Dm]I ain't [Bb]free

But [F]it don't [C]worry [F]me [C]

## Chorus

[F]It don't worry me [C]

[Dm]It don't worry me [C]

[F]You may say that [C]I ain't free

But [Bb]it don't worry [F]me [C]

[F]You say this train don't [Fdim7]give out rides

[F]Well it don't [C]worry [F]me

[F]And all the world is [Fdim7]taking sides

[F]But it don't [C]worry [F]me

[F]'cause in my empire [F7]life is sweet

[Bb]Oh, just ask any [Bbm]beau you meet

And [F]life may [C]be a [Dm]one-way [Bb]street

But [F]it don't [C]worry [F]me [C]
