Verse

I got that [A]good shit in my pocket.
Woke [D]up, took a trip to the markets
where they jar it and zip lock it.
Had to [Em]stop at the gas station
as I [A]walked along my way.
To pick [D]up my chick some chocolate,

you know Ferrero Rocher.
No [Em]surprise, soon as I [A]arrive,
she greets me with them pretty [D]eyes and eyes.
I said hi, she replies, are you high?
[Em]Yes. How'd you guess?
[A]Do I look a mess?
She said I [D]saw you through the peephole.
With that pre-roll chico,
she know my [Em]demeanor is calmer.
When I smoke [A]as much as I wanna,
I ain't [D]never got no worries.
I ain't really ever got no drama.
I'm a [Em]perfect gentleman
as I enter [A]into her abode.
[D]Ready for whatever unfolds.

Hanging [Em]out at your house
with an [A]ounce in my pouch.
Fuck your [D]couch, fuck your couch,

When you [Em]bounce like you bounce,
I can [A]see you as my spouse.
Girl, you [D]sound like Minnie Mouse
with your little shrilly shouts.
I'm in [Em]heaven at your casa,
[A]king like Mufasa.

Before I [D]got to say hasta la vista,
we feast on some pasta.
Lots of [Em]women that I've been with
