Key of F

165 BPM

Intro:

[F] [Bb] [F] [Bb]

Verse 1:

[F] You took the toaster when you [Bb] went
You never paid your half the [F] rent
You took the spices from the [Bb] rack
But you don't have to put 'em [F] back
'Cause in your haste on Hallow-[C]een
You left your camera on the [Gm] bed
Where we played roles in black and [Bb] white
You left a roll of black and [Gm] white
I set the timer, thought of [C] you
Put the lens up to my [Gm] head
I took a photograph for [Bb] you
What comes out gray is really [F] red

Chorus:

So are [C]yoo-[Gm]ooo-ooo-[Bb]ouu happy now? [F]
Are [C]yoo-[Gm]ooo-ooo-[Bb]ouu happy now? [F]
Are [C]yoo-[Gm]ooo-ooo-[Bb]ouu happy now? [F] [C]

Verse 2:

[F]I smashed your pumpkin on the [Bb] floor
The candle flickered at my [F] feet
As goblins flew across the [Bb] moon
The children peered into the [F] room
A cowboy shivered on the [C] porch
And Cinderella checked her [Gm] watch
A hobo waited in the [Bb] street
An angel whispered, "Trick or [Gm] treat"
What was I supposed to [C] do

But to sit there in the [Gm] dark
I was amazed to think that [Bb] you
Would take the candy with you [F] too

Chorus:

So are [C]yoo-[Gm]ooo-ooo-[Bb]ouu happy now? [F]
Are [C]yoo-[Gm]ooo-ooo-[Bb]ouu happy now? [F]
Are [C]yoo-[Gm]ooo-ooo-[Bb]ouu happy now? [F] [C]

Verse 3:

[F] I've sat all night, and now it's [Bb] dawn
And I cannot believe my [F] eyes
There's garbage strewn across the [Bb] lawn
Where we once stared up at the [F] sky
And streams of paper fill the [C] tree
That hovered over you and [Gm] me
And shaving cream covers the [Bb] car
That we picked up in Balti-[Gm]more
And though I know it's hard to [C] tell
I hope that what's-his-name treats you [Gm] well
I still maintain that he's a [Bb] bum
But it's your money, have some [F] fun

Chorus:

So are [C]yoo-[Gm]ooo-ooo-[Bb]ouu happy now? [F]
Are [C]yoo-[Gm]ooo-ooo-[Bb]ouu happy now? [F]
Are [C]yoo-[Gm]ooo-ooo-[Bb]ouu happy now? [F] [C]

Bridge:

[Gm] You always asked why I had [C] not
Written you a verse or [Gm] two
Since that's the one thing I re-[Bb]gret
I dedicate this one to [F] you

Chorus:

So are [C]yoo-[Gm]ooo-ooo-[Bb]ouu happy now? [F]
Are [C]yoo-[Gm]ooo-ooo-[Bb]ouu happy now? [F]
Are [C]yoo-[Gm]ooo-ooo-[Bb]ouu happy now? [F]
Are [C]yoo-[Gm]ooo-ooo-[Bb]ouu? [F]
