Intro:

[G] [Em] [G] [C]
[G] [Em] [G] [C]

Verse:

I am [G] one day older [Em] than my father was [G] [C]
Than he [G] ever got to [Em] be [G] [D]
I was [G] 10 years old when [Em] I grew uuuup [G] [C]
'Cause he [G] died at [Em]-fifty [Am] three [G] [C]

I [G] stared across the [C] great divide [G] [C]
And my [G] mother who was [Am] left [G] [C]
The [G] dinner table [Em] stretched oceans wide [G] [C]
Like the [G] hollow in our [Am] chests [G] [C]

Bridge:

[D] I never [Em] asked hard [C] questions [C]
[D] thought they'd [Em] cause more [C] pain [C]
[D] I hadn't [Em] yet learned [C] life's holiest [G] lesson
"That what is [Am7] broken cannot heal until it's [D] known [D]/

NC And loved by name"

Chorus:

[G] So tell me your [C] story
[G] I'll tell you [C] mine
[G] You don't need to [C] worry
[G] Everything's [C]-already [G] alright
[G] You'll be the [Em] universe, [G] nothing to [C] hide
[Am] Anywhere you ever [D] need to go [D]/
NC I can carry us [G]hooo-[C] ooooo-[G] ooome [C]

Interlude: [G] [C] [G] [C]

Verse:

I was [G] taught to bury [Em] with the dead [G] [C]
The [G] presence of my [Em] grief [G] [C]
I [G] see it now, but [Em] didn't then [G] [C]
That [G] silence is a [Em] thief [G] [C]

Bridge:

[D] It made [Em] strangers out of [C] friends [C]
[D] Robbed me of [Em] saving graces [C] offered in unlikely [C] places
[D] I thought I could [Em] outrun it in the [C] end [C]

When a [Am7] shattered heart is desperate

[Am] The only [D] respite [D]/

NC Is to let somebody in

Chorus:

[G] So tell me your [C] story

[G] I'll tell you [C] mine

[G] You don't need to [C] worry

[G] Everything's [C]-already [G] alright

[G] You'll be the [Em] universe, [G] nothing to [C]hide

[Am] Anywhere you ever [D] need to go

[D] I can carry us [G]hooo-[C] oooo-[G] oooo-[C] ooooo-[G] oooo-[C] ooome-[G]

[C] I can carry us [G]hooo-[C] oome-[G]

[C] I can carry us [G]hooo-[C] oome-[G] [C] [G] [C]

Outro:

When I [G] speak his name, [C] my voice gives out [G] [C]

Even [G] after all these [C] years [G] [C]

But I [G] want my son to [C] know me now [G] [C]

So my [G] son will see my [C] tears [G] [C]

My [G] son will see my [C]/ tears
