

Horseshoe Lounge

Key of C

Slaid Cleaves/Karen Poston, 2000

[G] Ricky got the quarters for the table and broke
While [C] I pulled hard on the sorrow and smoke
[G] Raising up my bottle I looked for a chance
As you [C] set your glass down on the bar with a glance at me

[D] Down at the [C] Horseshoe [G] Lounge
[D] Shuffleboard and [C] neon [G] light
[D] Down at the [C] Horseshoe [G] Lounge
[D] Cigarettes and [C] whiskey [G] tonight

[G] Ricky said "She's out of your league, let her go"
As I [C] watched you pick your partner on that old dance floor
I [G] know it didn't work out the first time we tried
But [C] I'd do anything to have you by my side again.

[D] Down at the [C] Horseshoe [G] Lounge
[D] Peel the label off a [C] Miller [G] Light
[D] Down at the [C] Horseshoe [G] Lounge
[D] I sit here thinking 'bout you [C] every [G] night.

Were [C] you the one who [G] faltered
[D] Was I the one who [G] strayed
Maybe [C] God left us [G] out of the plans he [D] made

So [G] here's to missed beginnings and things that never start
For [C] these are the ghosts that run around in my heart
When I [G] see that where I'm going isn't where I want to be
I get the [C] urge to look you up see if you would come and meet me

[D] Down at the [C] Horseshoe [G] Lounge
[D] Hey, buddy have you [C] got a [G] light
[D] Down at the [C] Horseshoe [G] Lounge
[D] Just one more and I'll [C] be all [G] night.

[G] Ricky got the quarters for the table and broke
While [C] I pulled hard on the sorrow and smoke
