[C] Turn out the lights the [G7] party's [C] over
They say that [G7] all good things must end
Call it a [C] night the party's [F] over
And tomorrow starts the [G7] same old thing [C] again

[C] What a crazy crazy party never seen so many people
Laughing dancing look at you you're having [G7] fun
Look at me I'm almost crying but that don't keep her love from dying
Misery calls for me the party's [C] over

[C] Once I had a love undying I didn't keep it I wasn't trying
Life for me was just one party then [G7] another
I broke her heart so many times had to have my party wine
Then one day she said sweetheart the party's [C] over
