

# Political Science

Randy Newman, 1972

Key of D

Original key Eb

[Verse 1:]

[D] [Daug]  
No one likes us, I don't know why.  
[F#7no5] [B7]  
We may not be perfect, but heaven knows we try.  
[Gmaj9] [Gm7]  
But all around us, even our old friends put us down,  
[D] [A7#5] [A13]  
Let's drop the big one and see what happens.

[Verse 2:]

[D] [Daug]  
We give them money, but are they grateful?  
[F#7no5] [B7]  
No, they're spiteful, and they're hateful.  
[GMaj7] [Gm7]  
They don't respect us so let's surprise 'em.  
[D] [A7#5] [A13]  
We'll drop the big one; pulverize 'em.

[Verse 3:]

[D] [Daug]  
Asia's crowded and Europe's too old,  
[F#7no5] [B7]  
Africa is far too hot and Canada's too cold.  
[Gmaj9] [Gm7]  
South America stole our name,  
[D] [A7#5] [A7]  
Let's drop the big one; there'll be no one left to blame us.

[Bridge:]

[G] [D]  
We'll save Aus- tralia.

[G] [D]  
Don't want to hurt no kanga- roo.

[G] [D]  
We'll build an all-American a- musement park there.

[A]  
They got surfin' too.

[Verse 4:]

[D] [Daug]  
Boom! goes London, boom! Paree,

[F#7no5] [B7]  
More room for you, and more room for me.

[G] [Gm7]  
And every city, the whole world 'round

[D] [B7]  
Will just be another A-merican town.

[Coda:]

[E7] [A7]  
Oh, how peaceful it will be; we'll set everybody free,

[F#7no5] [B7]  
You'll wear a Japanese kimono babe, there'll be I-talian shoes for me.

(Slower)

[G] [D]  
They all hate us any-how,

[E] [G] [D]  
So let's drop the big one now.

[E] [G] [D]  
Let's drop the big one now.
