

“Hello Starlight” - Christine Rojek

[Em] [Cmaj7] [Em11] x 2

Hello [Em] starlight [Cmaj7] first star I [Em11] see tonight,
Well I [Em] wish I may I wish I [Cmaj7] might
Have this [Em11] dream I dream tonight

Well, I'm [Em] missing my old best [Cmaj7] friend,
[D] Hoping I can see him a- [Em] gain,
We could [Em] throw back some beers and [D] talk about our fami- [C] lies,
We could [Em] shoot some pool and [D] laugh about when we were [C] free.

Hello [Em] starlight [Cmaj7] first star I [Em11] see tonight,
Well some [Em] people think that dreams come [Cmaj7] true
That's why I'm [Em11] talkin' to you.

Well, I'm [Em] missing my old best [Cmaj7] friend,
[D] Hoping I can see him a- [Em] gain,
We could [Em] smoke cigars and [D] tune up our cars,
We could [Em] watch the games and [D] shout out their names,
We could [Em] pull up some chairs and [D] share our point of [C] view

Whistle:

Hello [Em] starlight [Cmaj7] first star I [Em11] see tonight
Well some [Em] people think that dreams come [Cmaj7] true
That's why I'm [Em11] talkin' to you.

All good [Em] things must come to an [Cmaj7] end,
So [D] maybe you can be a new [Em] friend
Just [Em] pull up a chair and [D] share your point of [C] view
'Cuz I'm [Em] guessing that [D] you might be lonely [C] too
