hummmm

[chorus]

*Na tum hame.N jaano, na hum tumhe.N jaane*

न तुम हमें जानो न हम तुम्हें जानें

You do not know me, I do not know you

*Magar lagtaa hai kuch aisaa meraa humdum mil gayaaa*

मगर लगता है कुछ ऐसा मेरा हमदम मिल गया

Yet somehow I feel as if I have found my soul mate

[repeat chorus]

[verse 1]

*Yeh mausam yeh raat chhup hai*

ये मौसम ये रात चुप है

These surroundings and this night are quiet

*Am*

*Woh honTo.N kii baat chhup hai*

ये होंठों की बात चुप है

Those words on our lips are quiet

*Khamoshii sunaanii lagii hai dastaa.N*

खामोशी सुनाने लगी है दास्तां

The silence has begun to tell a story

[repeat yeh mausam...]

*Nazar ban gayii hai dil kii zubaan.N*

नज़र बन गई है दिल की ज़बां

Our glances have become the language of our hearts

[repeat chorus]

*Na tum hame.N jaano, na hum tumhe.N jaane*

न तुम हमें जानो न हम तुम्हें जानें

You do not know me, I do not know you

*Magar lagtaa hai kuch aisaa meraa humdum mil gayaaa*

मगर लगता है कुछ ऐसा मेरा हमदम मिल गया

Yet somehow I feel as if I have found my soul mate

[verse 2]

*Mohabbat ke moD pe hum*

मुहब्बत के मोड़ पे हम

At the crossing of love

*Am*

*Mile sab ko chhoDke hum*

मिले सबको छोड़ के हम

We met and left everything behind

*DhaDakhte dilo.N ka leke yeh karavaa.N*

धड़कते दिलों का ले के ये कारवाँ

We took our beating hearts with us on this caravan

[repeat mohabbat ke...]

*Chale aaj dono.N jaane kahaa.N*

चले आज दोनों जाने कहाँ

Let us go together today, I know not where

[repeat chorus]
