Have your- self a merry covid Christmas, let your heart be light,

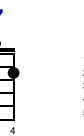

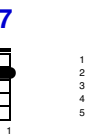

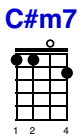

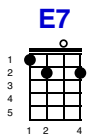

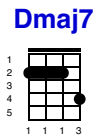

Pretty soon our troubles will be out of sight

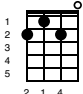

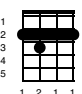

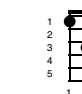

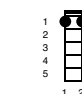

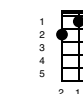

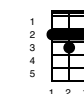

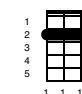

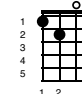

Have your- self a merry covid Christmas, get the vaccine soon

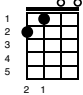

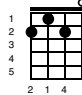

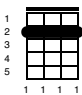

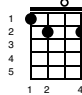

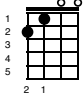

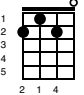

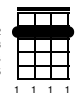

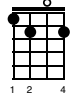

Normal life will come if we can last 'til June

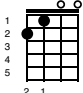

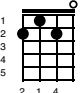

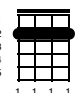

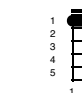

Soon we'll be as in olden days, happy golden days of yore,

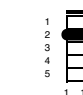

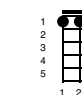

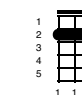

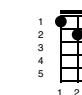

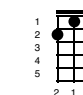

Faithful friends who are dear to us, will be near to us once more.

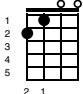

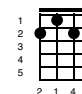

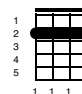

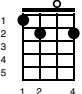

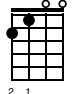

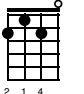

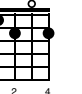

Through the years we all will be to-gether, if the bugs al- low,

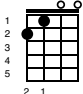

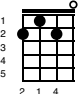

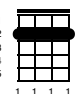

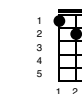

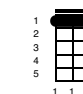

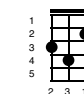

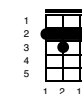

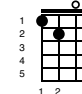

Until then we'll have to muddle through some how,

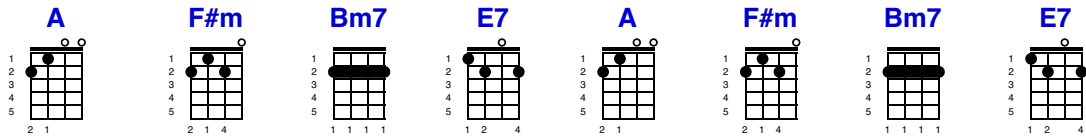

So have your- self a merry covid Christmas now.

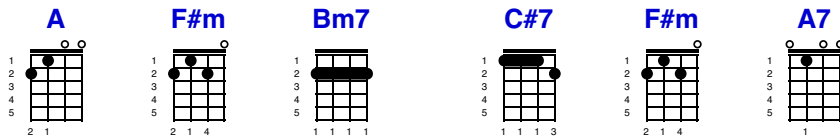

Have your- self a merry little Christmas, let your heart be light,

From now on our troubles will be out of sight

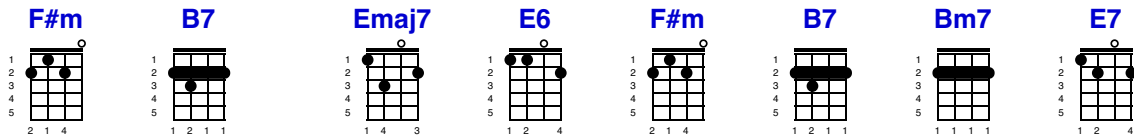

Have your- self a merry little Christmas, make the Yuletide gay,

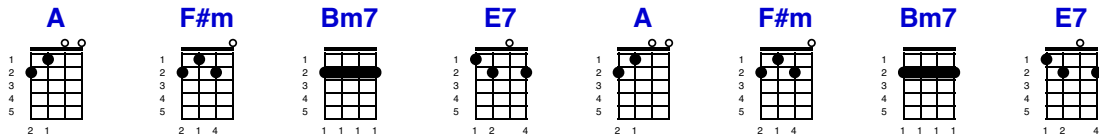

From now on, our troubles will be miles a-way.

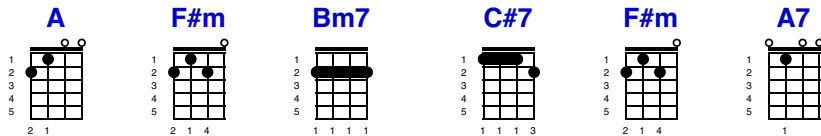

Here we are as in olden days, happy golden days of yore,

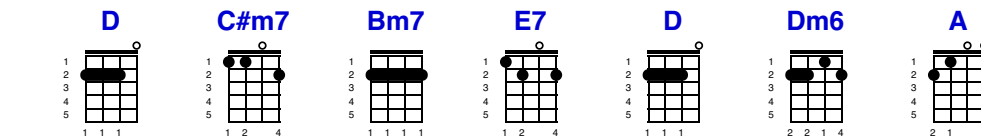

Faithful friends who are dear to us, gather near to us once more.

Through the years we all will be to-gether, if the fates al-low,

Hang a shining star upon the highest bough,

And have your- self a merry little Christmas now. / /
