 I get up in the evening and I ain't got nothing to say

 I come home in the morning I go to bed feeling the same way

 This gun's for hire, even if we're just dancing in the dark

 Messages keep getting clearer, radio's on and I'm moving round the room  
**D Bm D Bm G**  
 I check my look in the mirror I wanna change my clothes, my hair, my face

 Man I ain't getting nowhere, I'm just living in a dump like this  
**Bm D Bm A**  
 There's something happening somewhere baby I just know there is

## (Chorus)

**A G**  
 You can't start a fire, you can't start a fire without a spark  
**Em G Em D Bm D Bm**  
 This gun's for hire, even if we're just dancing in the dark

**D Bm D Bm**

## (Bridge)

**Bm D G A Bm**  
 You sit around getting older, there's a joke here somewhere and it's on me  
**D G A**  
 I'll shake the world off my shoulders, come on baby the laugh's on me

## (Verse 3)

**D Bm D Bm D**  
 Stay on the streets of this town and they'll be carving you up all right  
**D Bm D G**  
 They say you gotta stay hungry, hey baby I'm just about starving tonight  
**G Em G Em D**  
 I'm dying for some action, I'm sick of sitting 'round here trying to write this book  
**Bm D Bm A**  
 I need a love reaction, come on now baby gimme just one look

## (Chorus)

**A G**  
 You can't start a fire sitting round crying over a broken heart  
**Em G Em**  
 This gun's for hire even if we're just dancing in the dark  
**A G**  
 You can't start a fire worrying about your little world falling apart  
**Em G Em D Bm**  
 This gun's for hire even if we're just dancing in the dark

**D Bm D Bm**  
 Even if we're just dancing in the dark  
**D Bm D Bm**  
 Even if we're just dancing in the dark  
**D Bm D Bm**  
 Even if we're just dancing in the dark  
**D Bm D**  
 Even if we're just dancing in the dark...
