

# Joy to the Earth

(Lyrics by Anie Minogue, music traditional Joy to the World)

[A] Joy to the Earth, the [E7] light re-[A]-turns,  
And [D] sunlight [E7] fills the [A] air,  
The [A] tide has turned,  
The [A] Sun has been reborn,  
And [A] hope is everywhere,  
And [E7] hope is everywhere,  
And [A] hope, and hope is [E7] every-[A]-where.

[A] Dark ruled the Earth,  
and [E7] night has [A] reigned.  
But [D] on the [E7] wheel does [A] spin.  
From [A] out the womb of night  
Is [A] birthed the infant light.  
The [A] Sun has come again,  
The [E7] Sun has come again,  
The [A] Sun, the Sun has [E7] come a-[A]-gain.

[A] Mother of all, to [E7] you we [A] sing  
In [D] praise this [E7] glorious [A] morn.  
For [A] Earth and Sky,  
Fire, [A] Water, and Life,  
In [A] You we are reborn,  
In [E7] You we are reborn,  
In [A] You, in You we [E7] are re-[A]-born.
