And your [A]headache is back again, take a [D]handful of [A]aspirin  
I know how rough those [E]bridge games can [A]be

## [Chorus]

You can [D]tell me how the car broke [A]down on you again  
And you [B]had to wait for hours to find som [E]one to tow you in  
And you broke [A]down outside the tavern, I guess that's [D]why I smell the [A]beer  
On the best female [E]actress of the [A]year
