# I Still Haven't Found What I'm Looking For

Key of C

U2

(Intro)
C   Csus4 C   C   Csus4 C

      C
I have   climbed the highest mountains, I have run through the fields
    F   C
only to be with you, only to be with you
C
 I have run, I have crawled

                         F
I have scaled these city walls, these city walls
     C
only to be with you

    G   F   C   Csus4 C
But I still haven't found what I'm looking for
    G   F   C   Csus4 C
But I still haven't found what I'm looking for

      C
I have kissed honey lips, felt the healing in her fingertips
        F   C
It burned like fire, this burning desire
C
 I have spoke with the tongue of angels
C
 I have held the hand of a devil
         F   C
it was warm in the night, I was cold as a stone

    G   F   C   Csus4 C
But I still haven't found what I'm looking for

```
      G            F              C          Csus4 C
But I  still haven't  found what I'm  looking for
      G            F              C          Csus4 C
But I  still haven't  found what I'm  looking for
      G            F              C          Csus4 C
But I  still haven't  found what I'm  looking for

    C
I believe in the kingdom come
                                             F
Then all the colours they will bleed into one, bleed into  one
              C
But yes i'm still  running
            C
You broke the  bonds and you loosed the chains
                                      F
Carried the cross of, of my shame, of my  shame
              C
you know I believe it

      G            F              C          Csus4 C
but I  still haven't  found what i'm  looking for
      G            F              C          Csus4 C
but I  still haven't  found what i'm  looking for
      G            F              C          Csus4 C
but I  still haven't  found what i'm  looking for
      G            F              C          Csus4 C
but I  still haven't  found what i'm  looking for

      G            F              C          Csus4 C
but I  still haven't  found what i'm  looking for
```
(repeat to fade)
