(Paul's Intro)

C
Driving down the interstate

Running thirty minutes late
                            G
Singing Margaritaville and minding my own
G
Some foreign car drivin' dude with the road rage attitude
                        C
Pulled up beside me talkin' on his cell phone
   F   **C**
He started yelling at me like I did something wrong
   F   **G**
He flipped me the bird an' then he was gone

      F
Some beach
   C
Some where
      G   **C**   **(C7)**
There's a big umbrella casting shade over an empty chair
F
Palm trees are growin' and warm breezes blowing
                     C
I picture myself right there
        G   **C**
On some beach, some where

C
I circled the parkin' lot, trying to find a spot
                     G
Just big enough I could park my old truck
G
A man with a big cigar was getting into his car
                C
I stopped and I waited for him to back up
F   **C**
From out of no where a Mercedes Benz
F   **G**
Came cruisin' up and whipped right in

      F
Some beach
   C
Some where

      G   **C**   **(C7)**
There's nowhere to go when you got all day to get there
F   **C**
There's cold margaritas and hot Senoritas smiling with long dark hair
          G
On some beach
   C
Some where

 G-Hold
I sat in that waiting room
 G-Hold
It seemed like all afternoon
     G-Hold   **C-Hold**
The nurse finally said doc's ready for you
       G-Hold   **G-Hold**
You're not gonna feel a thing we'll give you some novocaine
      G-Hold   **C-Resume Strum**
That tooth will be fine in a minute or two
     F   **C**
But he stuck that needle down deep in my gum
     F   **G**
And he started drillin' before I was numb

      F
Some beach
   C
Some where

      G   **C**   **(C7)**
There's a beautiful sunset burrrrnin' up the atmosphere
F
There's music and dancing and lovers romancing
                   C
In the salty evening air
         G
On some beach
   C
Some where
      G   **C**   **C-Hold**
On some beach, some where
