

# Eye of the Storm

Kris Kristofferson

Verse 1:

[A] Maybe you bought all the lines that she told you  
And maybe they tore you a [E7] part  
Maybe she shrugged off your finest emotions  
Carelessly walked on your [A] heart  
[A] Life ain't for sissies and you ain't no sissy  
And [A7] only the strongest sur [D] vive  
[E7] Bad love is better than no love at all  
At least you know you're a [A] live

Chorus:

And just [D] thank God you still got your [A] feelings  
And you're [D] free to be easy and [A] warm  
Cause from [D] here to the end is what [A] matters my friend  
And you're [E7] right at the peak of your form  
Still in the eye of the [A] storm

Instrumental Chorus:

And just [D] thank God you still got your [A] feelings  
And you're [D] free to be easy and [A] warm  
Cause from [D] here to the end is what [A] matters my friend  
And you're [E7] right at the peak of your form  
Still in the eye of the [A] storm

Verse 2:

[A] Maybe you tried somethin' too hard to handle  
And maybe you took you a [E7] fall  
Is it true that if not for the pain that you're feelin'  
It wouldn't have mattered at [A] all  
[A] All there is left between living and dying  
Is [A7] loving or leaving a [D] lone  
You can [E7] take it or leave it or make up your mind  
Or fall on your ass on your [A] own.

Chorus:

And just [D] thank God you still got your [A] feelings  
And you're [D] free to be easy and [A] warm  
Cause from [D] here to the end is what [A] matters my friend  
And you're [E7] right at the peak of your form  
Still in the eye of the [A] storm

Instrumental Tag:

Cause from [D] here to the end is what [A] matters my friend  
And you're [E7] right at the peak of your form  
Still in the eye of the [A] storm
