The sun has left and for-gotten me

It's dark, I cannot see

Why does this rain pour down I'm gonna drown

In a sea Of deep con-fusion

Somebody told me, I don't know who

Whenever you are sad and blue

And you're feelin' all a-lone and left be-hind

Just take a look in-side you and you'll find

You gotta hold on, hold on through the night

Hang on, things will be all right

Even when it's dark and not a bit of sparkling

Sing-song sunshine from above

Spreading rays of sunny love

Just hang on, hang on to the vine

Stay on, soon you'll be divine

If you start to cry, look up to the sky

Something's coming up ahead

To turn your tears to dew instead

And so I hold on to his ad-vice

When change is hard and not so nice

If you listen to your heart the whole night through

Your sunny someday will come one day soon to you

REPEAT FROM TOP - END WITH NEW FINAL LINE:

Your sunny someday will come one day soon to

yo-o-o-o-ou
