Are a' **[D]** humming on a lulla- **[G]**-by.

As he **[F]** heeds a vision in his **[C]** eye.

On old **[F]** Mother Nature's grand high **[C]** way.

With the leather squeaking and the wagons creaking,
We'll go **[D]** rollin' down the Castle **[G]** Way.

And the **[C]** sweetest sound, well it just **[C7]** can't be found,
And **[F]** I ain't even goin' to **[C]** try.

We're **[F]** happy, free, in lovely **[C]** harmo-**[D]** -ny,
Where the **[C]** wagon wheels are **[G]** rollin' **[C]** by.

[C] The horse is draggin' on a [C7] covered wagon;

Makes the [F] grandest sight you've ever [C] seen.

The boys would sooner ride a prairie schooner

Than a [D] million dollar limou- [G] -sine.

And when the [C] day is over by old [C7] Rockinover,

Boy, don't [F] ever let the campfire [C] die.

'Cause with their [F] old guitars they'll sere- [C] -nade the [D] stars

Where the [C] wagon wheels are [G] rollin' [C] by.
