C F C  
Things are gettin' better but right now it's not looking great  
C G C  
My ceiling still is spinning from a night that went too late

I used to sleep this off and let the shame just melt away  
C G C  
But not for tiny feet in hallways calling out my name

[Chorus]

F C  
It's not that I don't love you, I wouldn't touch the hands of time  
F G C  
It's not that I don't long to feel your tiny hand in mine

I'm not a perfect woman, Lord, I don't wish it all away  
C G C  
My name can't be Mama today

Today I didn't listen to the voice inside my head

I'd lose myself inside the halls, unsatisfied and alone

[Verse 3]

Sometimes all I want is to run back to you at night

F

To rock you to sleep, to keep the blues out of your eyes

I drive my mother crazy out here traveling the world

But my name can't be Mama today, uh-uh

[Chorus]

It's not that I don't want to, I just don't want to today

I'm not a fan of mornings and I love my chardonnay

But my name can't be Mama today, oh no

My name can't be Mama today
