Dougie MacLean

Key of G

Verse 1:

G I don't know if **D7sus4** you can see,
The **G** changes that have come **C5** over me.
In these **G** last few days I've **D7sus4** been afraid,
That I **G** might drift a-**C5**way **Cmaj7**

So I've been **G** telling old stories, **D7sus4** singing songs,
That **G** make me think about **C5** where I came from.
And **G** that's the reason **D7sus4** why I seem
So **G** far away to-**C5**day **Cmaj7**

Chorus:

Oh and **G** let me tell you that I **D** love you,
That I **G** think about you all the **C5** time.
C Caledonia you're **G** calling me,
Now I'm **D** going **G** home.
For **G** if I should become a **D** stranger,
You know that **G** it would make me more than **C5** sad,
C Caledonia's been **D** everything I've ever **G** had.

Verse 2:

G I have moved and I've **D7sus4** kept on moving,
G Proved the points that I **C5** needed proving,
G Lost the friends that I **D7sus4** needed losing,
Found **G** others on the **C5** way **Cmaj7**

I have **G**kissed the ladies and **D7sus4** left them crying,
G Stolen dreams, yes there's **C5** no denying,
I have **G** travelled hard sometimes with **D7sus4** conscience flying,
G Somewhere with the **C5** wind **Cmaj7**

Chorus:

Oh and **G** let me tell you that I **D** love you,
That I **G** think about you all the **C5** time.
C Caledonia you're **G** calling me,
Now I'm **D** going **G** home.
For **G** if I should become a **D** stranger,
You know that **G** it would make me more than **C5** sad,
C Caledonia's been **D** everything I've ever **G** had.

Verse 3:

Now I'm **G** sitting here be-**D7sus4**fore the fire,
The **G** empty room, a **C5** forest choir,
The **G** flames that couldn't **D7sus4** get any higher,
Well they've **G** withered now they've **C5** gone **Cmaj7**

But I'm **G** steady thinking my **D7sus5** way is clear,
And I **G** know what I will **C5** do tomorrow,
When the **G** hands have shaken, and **D7sus4** kisses flown,
Then **G** I will disap- **C5**pear **Cmaj7**

Chorus:

Oh and **G** let me tell you that I **D** love you,
That I **G** think about you all the **C5** time.
C Caledonia you're **G** calling me,
Now I'm **D** going **G** home.
For **G** if I should become a **D** stranger,
You **G** know that it would make me more than **C5** sad,
C Caledonia's been **D** everything I've ever **G** had.
C Caledonia's been **D** everything I've ever **G** had.
