

# Fort Worth Blues

w. & m. Steve Earle

Instrumental Intro, last 2 lines verse:

But it [C] never really [Csus4] was your kind of [C] town  
So you went a [G7] round with the Fort Worth [C] Blues

Verse 1:

[C] In Fort Worth the [Csus4] neon's shinin' [C] bright  
Pretty [G7] lights, red and [C] blue  
They've [C] shut down all the [Csus4] honky tonks to [C] night  
Say a prayer or [G7] two if they only [C] knew  
I [C] used to say the [Csus4] highway was your [C] home  
But we both [G7] know that ain't [C] true  
It's [C] just the only [Csus4] place a man can [C] go  
When he don't [G7] know where he's travelin' [C] to  
[F] Colorado's always clean and [C] healing  
[F] Tennessee, the spring is green and [C] cool  
But it [C] never really [Csus4] was your kind of [C] town  
So you went a [G7] round with the Fort Worth [C] Blues

Instrumental Break, last 2 lines verse:

But it [C] never really [Csus4] was your kind of [C] town  
So you went a [G7] round with the Fort Worth [C] Blues

Verse 2:

[C] Somewhere out a [Csus4] cross the great di [C] vide  
Where the sky is [G7] wide and the clouds are [C] few  
A [C] man can see his [Csus4] way clear to the [C] light  
Just hold on [G7] tight, that's all you gotta [C] do  
They [F] say in Texas the weather's always [C] changin'  
[F] One thing change will bring is somethin' [C] new  
[C] Houston really [Csus4] ain't too bad a [C] town  
So you hung a [G7] round with the Fort Worth [C] Blues

Instrumental Break, first 4 lines verse:

[C] Somewhere out a [Csus4] cross the great di [C] vide  
Where the sky is [G7] wide and the clouds are [C] few  
A [C] man can see his [Csus4] way clear to the [C] light  
Just hold on [G7] tight, that's all you gotta [C] do

Verse 3:

There's a [C] full moon over [Csus4] Galway Bay to [C] night  
Silver [G7] light on green and [C] blue  
And [C] every place I [Csus4] travel to I [C] find  
Some kind of [G7] sign that you've been [C] through  
Now [F] Amsterdam is always good for [C] grieving  
[F] London never fails to leave me [C] blue  
Oh, [C] Paris really [Csus4] ain't my kind of [C] town  
So I walked a [G7] round with the Fort Worth [C] Blues
