

# Christmas in Texas

John Evans Band

[A] It's Christmas time in Texas  
[B] My favorite time of year  
[E] Santa's coming back  
[E] He's got it big red sack  
[E] To share some Christmas cheer.

[A] I've been a good good boy I know he knows  
[B] To drop some presents here.  
[E] Oh, the place will be rockin  
[E] When he fills up my stockin  
[E] with ice cold Lonestar [A] beer.

[A] Christmas in Texas  
[B] It'll be about a hundred and three  
[E] Christmas in Texas  
[E] Watching the snow fallin' on TV

[A] Christmas in [A] Texas  
I better [B] grab another bag of [B] ice  
[E] Christmas in Texas  
[E] Cause warm Lonestar beer ain't [A] nice

[A] On Christmas day in Texas [E]  
It gets a [B] little bit [F#] confusin' [B] 'round here  
[E] Enough to make a man ponder how Santa did wander  
down the chimney with [B] all that [E] beer
