$\frac{3}{4}$ TIME *Intro:* [C] [G7] [C] [C]

If-you-should-[C] ask any girl from the [F] parish a- [Dm] round
What [G7] pleases her most from her head to her [C] toes
She'll [C] say I'm not sure that it's [F] business of yours
But I [G7] do like to waltz with a [C] log driver

CHORUS

[G7] For he goes [C] birling [C7] down, and [F] down white water
[C] That's where the log driver [G7] learns to step lightly
He's [C] birling [C7] down, and [F] down white water
A [C] log driver's waltz pleases [G7] girls com- [C]pletely

Verse 2:

When the [C] drive's nearly over, I [F] like to go [Dm] down
and [G7] see all the lads while they work on the [C] river
I [C] know that come evening they'll [F] be on the town
And we [G7] all want to waltz with a [C] log driver

CHORUS

*[G7] For he goes [C] birling [C7]down, and [F]down white water
[C] That's where the log driver [G7] learns to step lightly
He's [C] birling [C7]down, and [F]down white water
A [C] log driver's waltz pleases [G7] girls com- [C]pletely*

Verse 3:

To [C] please both my parents, I've [F] had to give [Dm] way
And [G7] dance with the doctors and merchants and [C] lawyers
Their [C] manners are fine, but their [F] feet are of [Dm] clay
For there's [G7] none with the style of my [C] log driver...[G7]
